There is no hanging space at the Stone House on the Bay; all art work will be on tables, so please supply an easel for your work.

We ask that you keep your work within a reasonable size so that it can be displayed on a table easel, **however if you must show oversized work please contact Karen Day-Vath (see below for contact numbers) either by email or telephone with the dimensions of your oversized artwork and it is mandatory that you supply a standing easel for it. Oversized work is first come first serve due to the space allotted around the tables.**

The Stone House will be secured during off hours.

You must have a tag taped to the back of your art work with the following information: your name, title of piece, dimensions, medium and price.
